MAIL-IN REBATE

HOME ENERGY SOLUTIONS Insulation*

REBATE

Valid for customers who heat their homes by electric, natural gas, oil or propane for qualifying insulation installed November 16, 2009 through December 31, 2010. All rebate requests must be postmarked no later than January 31, 2011. **Insulation must be installed by a licensed contractor and meet state codes for insulation and ventilation. Not valid for self installation. For ceilings/attics (not for floors below grade or basement applications), a minimum of R-19 must be installed and the final R-value must be at least R-30. For exterior walls that are above grade, a minimum of R-13 must be installed. Rebate not applicable for basement wall insulation.**

For more information on the Home Energy Solutions Program, visit cl-p.com, uinet.com, CTEnergyInfo.com or call **1-877-WISE USE** (877-947-3873).

* Total incentive cannot be more than 50% of the total installation cost of the qualifying insulation install.

Instructions

To receive your rebate, please fill out this Rebate Application form completely and mail it with a copy of your recent electric, oil, propane or natural gas bill and the installing contractor's invoice. Contractor's invoice must indicate square footage, insulation type, existing R-value, R-value installed and date of installation. Mail to:

TERMS AND CONDITIONS

ELIGIBILITY: Valid for customers with electric, natural gas, oil or propane heated homes for qualifying insulation installed November 16, 2009 through December 31, 2010. All rebate requests must be postmarked no later than January 31, 2011. Total incentive cannot be more than 50% of the total insulation installed cost. Limit: One rebate per residential electric, natural gas, oil or propane account in the Connecticut Light & Power (CL&P) or the United Illuminating Company (UI) service areas. Qualifying insulation must be installed within the CL&P or UI service areas. For more information, call 1-877-WISE USE (877-947-3873). This rebate is only available to Home Energy Solutions participants who are CL&P or UI customers and may be subject to change without prior notice. THIS REBATE MAY NOT BE COMBINED WITH ANY OTHER UTILITY OR ENERGY EFFICIENCY SERVICE PROVIDER OFFER. CL&P, UI and energy efficiency providers reserve the right to conduct field inspections to verify installations.

PROOF OF PURCHASE: An invoice itemizing the purchased material/products must accompany each Rebate Application. The contractor's invoice copy must indicate square footage, insulation type, existing R-value, R-value installed and date of installation. To receive your rebate, please fill out this Rebate Application form completely and mail it with your dated contractor's invoice as well as a copy of your recent electric, natural gas, oil or propane bill.

APPLICATION: This Rebate Application must be filled out completely, truthfully and accurately. The customer, vendor and contractor must each sign the Rebate Application. The customer must submit the completed Rebate Application along with a dated contractor's invoice that must indicate square footage, insulation type, existing R-value, R-value installed and date of installation and a copy of his/her recent electric, natural gas, oil or propane bill.

PAYMENT: Please allow up to 90 days for payment. Payment processing may take longer if information is missing on the Rebate Application. Please contact Energy Federation, Inc. (EFI) at 1-877-364-4217 to inquire about the status of your Rebate Application.

APPROVAL AND VERIFICATION: CL&P and UI reserves the right to verify sales transaction and to have reasonable access to your residence to inspect the system installed under this program, prior to issuing rebates, for up to one year after date of Rebate Application.

TAX LIABILITY: CL&P and UI will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of the rebate incentive.

ENDORSEMENT: CL&P and UI do not endorse any particular manufacturer, product, or system design in promoting this Program.

LIMITATION OF LIABILITY: CL&P and UI's liability is limited to paying the incentive specified. CL&P and/or UI are not liable for any consequential or incidental damages, or for any damages in tort connected with or resulting from participation in this Program. CL&P or UI do not warrant the performance of installed equipment expressly or implicitly. Coupons cannot be reproduced, photocopied, or altered in any way.

WARRANTIES: CL&P AND UI DO NOT WARRANT THE PERFORMANCE OF INSTALLED EQUIPMENT, EXPRESSLY OR IMPLICITLY. CL&P and UI make no warranties or representations of any kind, whether statutory, expressed, or implied, including without limitations, warranties of merchantability or fitness for a particular purpose regarding the products or services provided by a retailer, manufacturer, vendor or contractor. Contact your retailer, manufacturer, vendor or contractor for details regarding equipment performance and warranties.

OWNER'S CERTIFICATION: Owner certifies that he/she has had the installed product/material as listed on the other side of the Rebate Application by a licensed contractor and that it is installed at the defined location. Owner agrees that all the information is true and he/she has conformed to all program and product/material installation requirements listed.

FORWARD CAPACITY MARKET AND CLASS III CREDITS: By signing this document and as a condition to receiving a rebate pursuant to this program, customer hereby assigns to its participating electric utility, either CL&P or UI (as the case may be), any and all payments, benefits and/or credits in connection with the Forward Capacity Market or any currently existing or successor or replacement markets, (including, but not limited to, any and all "LICAP", "ICAP", transitional credits or payments or any and all other capacity-related credits, payments and/or benefits for which customer is eligible) and that are associated with or applicable to customer's participation in the Home Energy Solutions Program. Customer hereby assigns to either CL&P or UI (as the case may be) all of its right, title and interest in and to any and all such capacity payments, credits and/or benefits and shall take any and all action, including executing and delivering any and all documents and/or instruments, as requested by either CL&P or UI (as the case may be) to evidence the same. Forward Capacity Market means the market for procuring capacity pursuant to ISO-NE Tariff, FERC Electric Tariff No. 3, Section III, Market Rule 1, Section 13, any modifications to the Forward Capacity Market, or any successor or replacement market/capacity procurement process.

In accordance with the Department of Public Utility Control's ("DPUCs") September 29, 2008 decision in Docket No. 05-07-19RE01, DPUC Proceeding to Develop a New Distributed Resources Portfolio Standard (Class III) – 2007 Revisions, customer is not eligible to receive or retain any Class III conservation credits in connection with the Home Energy Solutions Program and customer hereby acknowledges and agrees the same. Customer further acknowledges and agrees that such credits shall be retained by either CL&P or UI (as the case may be) for the benefit of their customers through the Connecticut Energy Efficiency Fund. In the event that the DPUC amends or modifies the allocation of Class III conservation credits as reflected in its September 29, 2008 decision, then the allocation of such credits utilized by either CL&P or UI (as the case may be) shall be the allocation in effect (per the applicable DPUC decision) on the date that the customer submitted its Rebate Application documents to either CL&P or UI (as the case may be).

Connecticut's Energy Efficiency Programs are funded by a Charge on Customer energy bills. The Programs are designed to help customers manage their energy usage and cost.
